

Once a year the residents attend the WAHPOA meeting consisting of a President (who changes every 2nd year in rotation of lot numbers) secretary and treasurer. (both elected) Plus a member or 2 from each household.

The meeting is to bring together any collective thoughts, concerns or open discussion on matters concerning Wild Apple Lane. Usually, a potluck lunch and fun day.

Cost per year is now \$600 per household which covers, grass cutting (tennis court, side lanes, and access to the point and block B), snowplowing, repair of laneway with gravel, or pothole fixing etc. It may also include new dock, repairs, and tennis court nets or the like.

The meetings allow the Lane to submit and receive grants from Rideau Lakes Twshp. To help with road maintenance.
