

What We Do, How It Works...

Real Estate: Your needs as a seller are most important

Move Management: Coordination of downsizing, moving and resettlement

Sale of Goods: Easy, efficient, innovative online auction service

LET GORDON'S ORGANIZE YOUR MOVE:

We are experts in right-sizing, and can handle all the details.

CONSULT:

We meet with you and listen to all your needs. We have one simple objective: to design the downsizing or estate settlement solution that's right for you. Our focus is on your future.

MANAGE:

Dealing with multiple service providers can be complicated. Where do you find them? Who do you trust? What do they charge? We manage all the details for you, so you're free to focus on the big picture and stay in control.

PREPARE:

We determine the best way to market your home, help you sort through belongings and choose what to keep, how to beautify your home for sale, sort, pack, clean, ship, manage any extra assets, and any thing else you need.

MOVE ON:

We sell your home, help you move into your new home and ensure that you're completely settled. Your downsize happens seamlessly and effortlessly so you can get back to enjoying life!
