

For many people, buying or selling a home is part of something bigger. A move to retirement living. A downsizing decision. The settlement of a family estate.

When life changes, there can be a lot to manage. You don't need to know every step. **Just the first one.**

At Gordons Real Estate Brokerage, we help families, estate trustees, and professionals navigate life's major transitions with confidence. From real estate services to downsizing and estate settlement support, everything works together under one roof.

Since 1958, we've been the trusted partner people turn to when the details feel overwhelming. Our experienced realtors, project managers, downsizing specialists, and appraisers work together to ensure every project is managed professionally, efficiently, and with care.

Thank you for your interest in this property. If you have any questions, our team would be pleased to help.

UNDER ONE ROOF.

PROPERTY INFORMATION

Welcome to 137 Mudcat Road, Foxboro, ON

This exceptional **57-acre vacant rural property** presents a rare opportunity to acquire a large parcel of land within the City of Belleville, just east of Foxboro. Offering approximately **211 +/- feet of frontage on Mudcat Road** and extending nearly **3,977 +/- feet in depth**, the property provides an outstanding combination of privacy, natural landscape and future potential.

The land is comprised of a mix of open clearings, mature woodland and natural areas, making it suitable for a variety of rural and recreational uses. A gated entrance from Mudcat Road provides access into the property, where several existing outbuildings are located near the front of the parcel. Beyond the entrance, the land opens into expansive fields before transitioning into mature forest and natural habitat.

Hay fields: $\approx$ 11.95 acres. Additional usable land: $\approx$ 10-15 acres (about 6.8 acres of that is pasture at the access point off Mudcat). Forested/rough/wet / constrained: $\approx$ 29-34 acres. Total parcel: 57 acres (Agmaps and Copilot were used to calculate the approximate property use). The land is not currently being farmed or rented. No crops are planted. The only crop planted in the past has been hay.

While no residence exists on the parcel, the existing entrance and cleared areas provide a practical starting point for future use or development.

The RU (Rural) zoning permits a variety of uses, including agriculture, forestry, a one-unit detached dwelling, equestrian uses, kennels, garden centres and certain home-based businesses, together with customary accessory buildings and structures. Purchasers should satisfy themselves regarding any intended future use with the City of Belleville.

The property's size, location and natural setting make it well suited for those seeking privacy, recreational enjoyment, hobby farming, managed woodland, or the construction of a country estate residence.

Located only minutes from Highway 62, Highway 401 and the amenities of Belleville, this property offers the convenience of town services while maintaining the privacy and tranquillity of a large rural holding. Large land holdings of this size are increasingly difficult to find this close to the urban boundary. There is a dug well near the front of the property that a neighbour has a right of way to use.
