UNDER ONE ROOF.

PROPERTY INFORMATION

Situated in the popular Wellington on the Lake adult lifestyle community, 39 Elmdale Drive offers comfortable bungalow living in an established residential setting close to the amenities of Wellington. Built in 2006, the home provides approximately 1,267 square feet above grade together with a substantial finished lower level, attached double garage and inviting outdoor living space.

The property has been thoughtfully maintained, with attractive landscaping, mature trees and established plantings framing the home. A paved double driveway leads to the attached two-car garage, while the rear yard includes a covered deck that provides a sheltered place to relax or entertain outdoors.

Inside, the south-facing front entrance is bright and welcoming, with sidelights and a large arched transom window bringing natural light into the foyer. High-grade laminate flooring extends through the principal living and dining areas, providing an attractive and durable finish.

The kitchen is efficiently arranged with generous wood cabinetry, dark countertops, tiled backsplash and stainless steel appliances. An adjoining breakfast area provides a comfortable everyday dining space, while the formal dining area is conveniently positioned beside the living room.

There are two bedrooms and two full bathrooms on the main level. The spacious primary bedroom offers convenient ensuite access, while the second bedroom provides flexibility for guests, an office or additional living space.

The lower level significantly expands the usable area of the home. A large finished recreation/family room features a gas fireplace and provides ample room for television, seating and entertaining. A third bedroom has 2 windows, and a separate finished room can accommodate a hobby/craft area or exercise space. The lower level also includes a 2-piece bathroom and spacious laundry, storage, and utility space.

With its bungalow design, finished lower level, attached double garage, covered outdoor living space and location within Wellington on the Lake, 39 Elmdale Drive is particularly well suited to buyers looking to simplify their lifestyle without sacrificing living space, storage or everyday comfort.

Thoughts from the Seller:

What I have loved most about living here is the wonderful sense of community. It is a peaceful, friendly place where neighbours genuinely look out for one another and keep an eye on each other's homes. There is always something to enjoy, whether it's swimming, quilting, playing cards or games, pickleball, tennis, or dancing at the recreation centre to favourite songs from the 1950s and '60s. Some of my fondest memories are of walking down to the lakeside and enjoying daytime picnics at North Beach. Life here is quiet and relaxed, without the stress of rush-hour traffic, yet it is easy to stay active, social, and connected. More than anything, it is the fantastic neighbours and the people throughout the community who have made this such a special place to call home.
